

## EXAMPLE SCOREBOARD

This is an example of a Scoreboard for the NDF. Please note that a date-stamped Scoreboard will be published in connection with each call for applications.

Evaluation parameters	Max points
The need and urgency of the action to the country-specific context.	15
The quality of the partnership, including the breadth and depth, and its innovative or courageous character.	10
Action recognized by the defined target groups as relevant.	10
The applicant team's experience within the relevant theme(s) covered by the project (Youth, Media, Culture, Labour market, Just and green transition).	10
Integration of human rights-based approach, gender aspects, inclusion, diversity.	15
Coherence of intervention logic.	10
Risk assessment including safety.	5
Additionality and relevance to other similar interventions and avoidance of duplication.	5
Prospects of sustainability.	10
Budget transparency – including clear transparency on rates, salaries, project management, partner breakdown.	10
<b>TOTAL</b>	<b>100</b>

Applications scoring under 60 points will be rejected. Please note that the Scoreboard is a guide for the Selection Committee. Consequently, an application with a high score can be rejected and vice versa.
